“ To Brenda and family, I am currently praying for peace to live in your hearts after this very hard emotionally thing, it is soo hard no matter how old or what conditions surround the event!, I will send in a mass Brenda if you can tell me which church your family attends she had told me you were catholic of which I am so it won't be hard to do if you don't mind I can talk with Father Patrich at the Neumann Center which does a wonderful for having masses that are requested, he did my brothers Eulogy for his family (me) and all the other 7brothers and sisters, there were 4 girls still alive and now 4 boys i will let you know when it will take place, Sorry for the other part of the family I failed to get to know. Maxine was our neighbor for 20 years we moved right next to her when our first child was 6 months, we could always trust Maxine to keep an eye on our place when we were gone and she was particularly fond of my brother who was 33 and ended his own life she made sure I was always holding up,and this happened 3 years ago well as well could as one when they loose a family member. My thought on death is that we are the unfortunate ones still suffering on earth while the people who died and throughout their life suffered many times we don't even know about what They have earned their FREE TICKET to Heaven and Welcome, and I'm sure she is hanging out and having the BEST TIME she has ever had, my prayers and a mass at the Neumann Center at 11:30 will be set from the Friedrich family all of which she somplimented many times the last 20 years, I will let you know when it will be done. I feel privileged to have known and learned everything Maxine has endured throughout her life.May Blessings and Grases bring your whole family peace by knowing she no longer suffers from earthly demons I do hope this sounded as clear as it could, considering Brenda you know from what, only because this is not my suffering to bear it is your suffering for me to help with, God Bless, may your Guardian and the Saints bring you Peace during this rough time!

Kristy and Chris Friedrich - October 03, 2015 at 12:00 AM
