“ *Debbie and Scott I never met your Mother that I can remember but Larry was in my class at College High School Class of 1965. Gene was a year behind him in school. Gene was more serious than Larry in high school but both were kind to everyone. I have lost a brother and a sister so I know there is a big hole in your family. Your Mother had to be a strong lady to go thru what she did in her life. You and your families are in my prayers.*
