“ To Mike's family, we are sorry to hear about Mike's passing, he was a great person. I knew Mike all of my life, having grown up in Kelso, my husband knew him from high school. When I worked at Cape Police department and him at Probation and Parole, he would come in to follow up this clients, we shared alot of memories and of course, alot of laughs. I called him Superman and he called me Wonder Woman, not sure how that came about, but it had something to do with something he did at work. Fly high Super Man. I know you are bringing a lot of laughter to heaven.

“ My sincere and deepest condolences to Mike’s family. Mike and I were the best of friends from first grade thru our college years. Growing up in Kelso we put many miles on our bicycles together, played tons of wiffle ball as well as baseball and softball games. I could not have imagined a better childhood friend. After college I moved to St. Louis and we both eventually started families, which made our times seeing each other few and far between. I will always cherish my memories of Mike and our friendship. Rest in peace my friend.
