“ I have been Mike's friend since kindergarten at Alma Schrader Grade School. I have several fond memories of playing in North Field subdivision and on Briarwood during our childhood growing up. There was never a dull moment when Mike was around and he enjoyed making people laugh. Mike had a heart of "GOLD" and would help you in any way he could. Mike will be greatly missed. My deepest condolences. Stuart Hoeller

“ Mike was one of my oldest and dearest friends of 21 years. He was like my big brother and looked after me when I was young. Over the last two years when he got sick I got to repay him and do the same for him. My condolences to his family I wish I could've been there but mom's condition wasn't good enough to travel due to her recent injury. So sorry! I miss him and love him always! Love ya Mikey!!

“ *The pain of losing someone you love is something that we will never get use to because God's Word refers to death as 'the last enemy.' May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will have our enemy 'brought to nothing.' (1Corinthians 15:26) What a wonderful day that will be!*
