“ Hey Uncle Mike,
It's been cold in Houston. We even had a little snow, but there are so many Cardinals around that I can't help to think of you. I hope you are well and having an amazing time where ever you are.
Love you and miss you always,
~Magen

“ Hey Mike,
It's been awhile since I wrote here. The world went crazy, so I've been keeping busy while I can. I hope where you are things are wonderful.

There hasn't been much baseball this year, or outside activities. I doubt we'll have a family reunion either. It's been all ugly politics. It's getting old for everyone.

I wish we could have gone fishing that last time I was up to see you. We would have had a wonderful day out on the boat, but I am guessing you and Grandma and Tahnee have been catching fish left and right for past year. I can't believe you have been gone for over a year now.

*I miss you and love you always,
~Magen*

“ Hey Mike,
Well...you would hate things right now...so in some disturbing way,
I'm glad you don't have to deal with it. Every STL Cardinals game
has been postponed!!! I bet you would never imagine you would see
that, but there it is. The world is such a crazy place.

We have a cardinal bird feeding on the bird feeder in the backyard. I
like to think it is you coming to visit us. I can hear a few jokes in the
back of my head every time it flies by.

I hope where ever you are you are happy and enjoying things. Give
my love to the rest of the family. I miss you always and will leave
some flowers on your headstone next time I am up in Missouri.
Love always,
~Magen

“ Well Uncle Mike. I left some flowers at your grave in March...and I
had the chance to talk to you a little. I miss you so much and hope
you are doing well and are happy. Give a kiss to Grandma, Viola,
Grandpa, Eugene, Helen and Tahnee for me if you can. Tell Tahnee
especially how much I miss her.

Because of the virus going around there is no baseball right now..no
Cardinals baseball. There are no sports period. I think you would be
horrified, so part of me is glad you don't have to go through this, but
I'd be happy to quarantine with you and Tahnee any day.

I just want you to know how much we love and miss you...the entire
family. I want you to know how much you were and are always
loved.

Hey Uncle Mike...hope you are watching the Cardinals from behind first base!!! Wouldn't it be wonderful if we could all go to a game, together again. I know you are loving the post season where ever you are...and I put out a few of your halloween decorations...they make me smile and think of you always.

“ Hey Mike!! Brian and I went to Yosemite in California, Silver Lake and Bodie. We had such a great time. I bet you would love it too. We sat on the beach for a few hours and drank some beer and watched the boaters go by. I could have stayed there for a month.

I found a gift card you gave me almost ten years ago. I am going to use it to buy some things for Christmas. I used your other gift cards to buy my writing computer...so I know you are with me every step of the way.

*Love and miss you,
~Magen*

“ Hey Mike...I hope you are doing well, where ever you are. Dad and mom and getting things squared away, just the way you wanted them. I'll be heading to Missouri to visit them soon. The Cardinals for 1st in Central. I know you would be excited about that, and watching every game.

I wish we could have had more time together. Christmas will especially be hard...I know how much you love that time of year. Miss you always. ~Magen

“ Cousin Mike was (and still is although he has moved to heaven!) a man with a heart of Gold. Growing up with Mike was an adventure and such fun! We loved going to the farm and playing with Mike, Cathy, Mary and Karen in the barn and on the tractor rides Uncle Frank gave us! Mike always remembered my birthday and was patient when I forgot his although it was 6 mos. to the day! (4 1/2 yrs apart I always reminded him!)
We will miss you Mike! Looking forward to seeing you again!
Prayers to sweet Helen and the whole Family. Seems like yesterday Helen and Mike stopped here in AR to visit on their honeymoon.
God's peace and blessings. Steve and Jackie (Parr)Morris

“Helen, I am surprised and so sad to see Mike's obituary today. You may remember me from the WLS support group at SE Hospital years ago. In recent years I would still run into Mike on occasion around town, he always had a big smile and a hug for me. I am praying for you for peace in your heart during this difficult time and beyond.

Much Love,
