“ My sympathy for your loss. I worked with Mike at ABF. Mike impressed me with his integrity and character early on, I've thought of him often in the passing years, always with a smile on my face. We always parted company that way, with a smile.

“ The pain of losing someone you love is something that we will never get use to because God's Word refers to death as 'the last enemy.' May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will have our enemy 'brought to nothing.' (1Corinthians 15:26) What a wonderful day that will be!
