“ I had the opportunity to be Mikey's "second half" for nearly 12 years. He taught me so many things but most importantly he taught me what loving and caring for someone meant. When we parted ways he said to me "You know you're gonna be okay". I thought there isn't any way to be OK without him and now I feel the same old feelings. To his wife, Allie, my heart goes out to you. I can only imagine your grief. Mike and Terrie, all I can say is my heart bleeds for both of you. And Joe, I know what you're going through. My thoughts and prayers to you all.
