“ I was very close friends with mike in school and at red star baptist church all thru jr high and high school . we lost track of each other after about 1982 as I moved to the St. Louis area.

Oddly mike had been on my mind for about the last year but was unable to reconnect I guess that opportunity has passed. The Mike I new was a kind person and we were two of the very few (our age group)who always carried our Bibles on Sunday .i was so glad when I read that he still followed God I know my opportunity here has passed but we will meet again in heaven

Rest In Peace my good friend

I will see you again when you meet me at the gates of heaven

“ *What a wonderful person and friend to all! Huey, of course travelled in the pack of friends where he was one of three Mikes'...which he is why so many knew him just as Huey. I remember the late nights with friends at Granny's, the long games of D&D with his group of friends, always filled with laughter and at times telling the same story over and over..each time with the same hearty laughs!! Huey will be missed and as my faith is strong, I know he has been welcomed by so many friends and family with open arms. He truly has been a good and faithful servant.*

I pray his family and friends know the comfort and peace of God's Love.
