“ My wife and I have the honor and pleasure of having Mike and Diann as neighbors for the last 5 years. Mike and Diann where usually to be found outside doing some kind of work in their yard. They take pride in their home and the home we rent from them next door. They took a chance in allowing us to bring our 20 year old cat with us and letting my mom spend her final days with us. Words can not express our gratitude in allowing mom to come home during her illness. Thank you Mike and Diann. The short time I got to know Mike, I got to know a man who wasn't afraid to speak his mind, but I also saw Mike give of himself to help his neighbors. Miss our visits sir. May God's peace and comfort be with the family.

“ Mike, my brother, would ask if he could buy my dessert at the supper table. Most of the time I said yes. Then he would also give me a horse back ride home from school and Momma would ask him why he did that and he would say cause she's tired.
