“ Mike was the very first person I met at Mehlville Senior High when the fall 1962 semester began. It was the first day of the school year and we were both beginning freshmen. I stopped Mike to ask a question just inside the school building's front door, but it turned out he didn't know anything more than I did. I had just transferred in from the City of St. Louis and he had just arrived from Evansville, Indiana. As time passed, we shared classes and became good friends who saw each other in and out of school. After graduating from Mehlville, we only sporadically saw each other as he went to school in Rolla and I attended college in Cape Girardeau. We lost touch with each other as the years progressed with Mike living in Cape Girardeau and me residing in St. Louis. Working careers and raising families also took their toll. However, only a few years ago, after we were both retired and through a small group of Mehlville graduates who frequently met, Mike and I, as well as the other guys in our group, quickly re-cemented our friendship. Mike was a dear friend and I as well as the other guys in our group will greatly miss him. God bless you Mike and God bless your family, especially your wife, Linda.

I met Mike at the University of Missouri at Rolla in 1968. We were fraternity brothers at Pi Kappa Phi fraternity. Mike was a car guy and he had a beautiful MGA. He took me for rides in that British sports car and that set me on a path which I still follow to this day in my love for MG cars. Mike also was the guy who gave me my college nickname, "bear" which is how he always referred to me . I'll miss you. Rest now in peace.
