“ *Deepest sympathy on the loss of your mother. She was a wonderful and kind person, always happy and friendly to all. Her wonderful smile immediately greeted guests in her house. She was always a giving person, both of her time and an occasional chocolate at Christmas. She always remembered all her friends, and all her friends will remember her.*

“ Please accept our condolences for the loss of your mother. She was a special person and a very special friend to my dad. Our whole family was so very fond of her. We will miss seeing her at the river. Wish we would have known she was at the Lutheran home - we certainly would have gone to see her. We were blessed to have known her.

“ Just last week I was thinking about your mother and father. They were very dear to Ben and Ruth. I remember the laughter and fun shared when we were all together. May the memories help to fill the void left in your hearts. Keeping you in my thoughts and prayers.

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and certainly wipe the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!
