“ *My Mother was one of kindest,gentlest & loving persons that ever walked the face of this earth. She never really had a bad thing to say about anyone. She had a Good life,but has been very hard on her the last 15 years or so. We almost lost Mom in 1996 with her heart problems & she was in the Hospital for over 3 months after having open heart surgery. We asked God for more time with Mom & he granted that & we thank him for that. Mom knew that this was coming & was ready. I went to see her in the hospital last week (May the 13th & she was telling me about her funeral,songs she wanted played,etc. This was hard for me to hear this but it also let me know that she was ready for this. She also told me that she had prayed back in 96 when she was having her heart problems for more time. She wanted to see her only Granddaughter grow up & see us kids get our lives in order & said that God has granted this as well. Goodbye,Mom. We all loved you more than you could ever know .We all know that you are with God now!*
