“ My heartfelt sympathies over the loss of your dear mother. A few words offer peace during this difficult time, perhaps the words expressed at Revelation 21:3,4 provide you with both comfort and hope along with the realization that soon death and sickness will one day be a thing of the past.

“ *Dear Jason, John and Family, I only knew your mother for a short time, but it was my honor to call her my friend. She was such a beautiful lady and had a heart of pure gold. I will always remember the talks we had. It is never easy to lose a loved one, specially a mother. Nothing can replace her presence here on earth, but I know in my heart she is with the Lord and rejoicing. She will always be at your side in spirit. May God's loving arms surround all of you and give you peace that passes all understanding. God Bless. Karen McClendon*
