

Mitchell Ray Shelby

February 1, 1946 - September 30, 2023

Mitchell Ray Shelby, 77, of Cape Girardeau, Missouri died peacefully on Saturday, September 30, 2023 surrounded by his family at Missouri Veterans Home.

He was born February 1, 1946 in Sikeston, Missouri to Cecil and Violet Nelson Shelby. He grew up in New Madrid, Missouri and graduated from New Madrid High School in 1964, where he excelled in basketball, track and baseball.

Mitch served in the U.S. Army from 1966-1968. He fought in Vietnam in 1967 and was in the First Infantry Division (Big Red One). He was awarded the Bronze Star, and Combat Infantry Badge among other medals and awards. He later worked at the Pentagon several summers with the Army Reserves.

After the Army, he enrolled at Southeast Missouri State University, where he met his future wife, Karen Wilmsmeyer. They were married on August 21, 1971. After graduating from Southeast Missouri State University, Mitch and Karen moved to Salem, Missouri where they began their teaching careers in 1972. Mitch was a PE teacher and basketball and baseball coach there. He then went on to become a State Farm Insurance agent in Houston, Missouri in 1976. After four years as an agent, he went into management and moved back to Cape Girardeau in 1981. He hired many of the present State Farm agents serving Southeast Missouri. Mitch had a very successful career with

State Farm and retired in 2010 after 34 years.

Mitch and Karen were blessed with two children, Jodie and Justin. Many years were spent together at Kentucky Lake. They enjoyed fishing, boating and water skiing. Mitch taught many people to ski behind his boat. He loved coaching children in Little League baseball and basketball. In his later years, he found great joy in watching his grandchildren participate in sports and activities. He couldn't brag enough about them.

He and his wife, Karen loved traveling and were thankful to have seen different countries and places throughout the world on State Farm trips. He enjoyed hunting and fishing as evidenced by the trophy mounts hanging in his basement. He also enjoyed golfing with his buddies and grilling on his deck for family and friends. He was a great all around cook and loved making big breakfasts.

He was usually the life of the party and loved telling stories and jokes, which sometimes got him into trouble. He was witty and funny right up until the very end, even keeping the Veterans Home staff laughing. He had a big heart and was loved by so many.

Survivors include wife, Karen Shelby of Cape Girardeau; daughter, Jodie (Eric) Ticer of Jackson, Missouri; son, Justin (Britt) Shelby of Houston, Missouri; sister, Sherry (Leland) Phillips of New Madrid, Missouri; brother, Terry (Kay) Shelby of Sikeston, Missouri; sister-in-law, Doris Conn of O'Fallon, Missouri; five grandchildren, Lawson and Landon Ticer, Cannon Monroe, Ford and Forrester Shelby; and many nieces and nephews.

“ *I remember when Mitch was an agent in Houston, Mo. years ago. When I started working for State Farm we crossed paths a few times and he and Justin visited our office in Houston when Justin was just starting out. He was a sweet soul, always friendly and smiling. When Justin became our State Farm agent in Houston, I was lucky enough to work for Justin and got the chance to get to know Mitch and his wife. He was a genuinely nice guy and I never heard anyone ever say anything bad about him. I was sorry to hear of his passing and have had his family in my prayers. He left an amazing legacy and won't be forgotten.*

“ Another member of the "Woodland Hills Gang" has entered Heaven. I hope he & Bill are organizing a reunion as we continue to slip away. So many great memories- Mitch's sense of humor kept us all laughing.

I know in his next life he may become a comedian or cruise director. I am feeling your pain - I have found this to be the greatest challenge in my life. We are strong, we are survivors and we will all meet again some day. What a party that will be!👍😍💕🌻 Keep your head up and know you are loved.

“ I will never forget the friendship Mitch and I had. He was a great manager and mentor for me as I started my career with State Farm. One of his talents included developing our State Farm agents into a well-run machine. He helped me when I struggled, encouraging me along the way. I will miss him. Prayer to his family from Jody and me.
