“ I enjoyed doing activity with Molly. She had a sense of humor. I had known Molly 4.5 yrs. We became close friends. I always come in and said Molly guess who? She would always say my name. She loved her nails done. I will miss her so much. I know she's happy in the next life. I will never forget her. Kim Serene

“ I met Molly at Delmar Gardens. I just fell in love with Molly because of her little sassiness. I found out that she loved Elvis. I would let her use my phone to let her listen to him. She would tell everyone to be quiet cuz she is listening to Elvis. She would make us all laugh. It's not the same without her there. She is so missed.

“ Aunt Molly was my mother’s sister and her favorite person. They loved each other so much and supported each other through life. We had many visits with her family over the years and always had fun! Aunt Molly was so beautiful and loving. She was famous for her O’ Henry bars and John Bengetti. Both are family favorites. My mother loves to tell about their childhood and dating adventures. Rusty, their brother, was also the topic of conversation with his antics! She will be missed but is at peace in heaven!!

“ *Heaven has gained a precious lady. We had the best conversations at Famous Barr about work, church, life, and of course Elvis. The family is in our thoughts and prayers.*
