“ I was lucky enough to be the nurse who admitted Nancy to the skilled unit at fbl and watched her get better and move to rcf where I was lucky enough to be transferred to be her nurse once again. She was a very special and loving person. I haven't worked at fbl since 2013 so I only just found out that she left for her trip to heaven and it breaks my heart the world had to give up such an amazing lady. My heart goes out to yall. She was one of a kind and will be missed!

“ Doug and Lisa & family, I was saddened to hear of your loss. I have childhood memories of spending time with your family in the beautiful home you grew up in, Doug. It makes me smile to think of your mom's happy smile and bubbly laugh. She was a wonderful Christain woman who will be missed by many.
