“ *What a pleasure it was to have worked with Cecil for the short time I did. He taught me so much about the business from his past success. I especially appreciate our talks about our home lives and our families and the love he had for his. Gonna miss this guy and may he rest in peace. My condolences to his wife and family whom I feel I know even though we never met.*

“ I can only remember how happy and uplifting as well as being a very kindhearted person he was. He loved to laugh and spread joy to everyone he met. He made a darned good Robin Hood at my birthday party one year as well.. Proud and honored to have known him as a person, as well as a Brother. He will be missed by all...He used to say to us smokers when we traveled...when we stopped "smoke em if you got em"...then give that 'Cecil' chuckle! We loved this man...a very good example of a gentleman..Thank You Cecil for being part of my family..And Mae, you are fortunate to have spent the "good years" of your life with him. He once told me you were his everything...See Ya' Later Brother...
