“ Mrs. Green had been my neighbor for the past 24 years. She was always a joy to talk to. When my parents came to stay with me 3 years ago, she would always ask how they were doing. She always cared about our neighborhood (she would sit out on the driveway and keep an eye on everything) and she was always too proud to ask for help. I'm sorry that I did not see the obituary until after her funeral had already passed. I'll miss you, Mrs. Green.
