“ Jay, I'm sorry to hear about the loss of your mom. She had many fine reasons to be proud of her family. I'm so thankful to have been a friend of your family for the last 30 years. You have had a very positive impact in my life...thank you! While I have not had your experience, I can certainly empathize with Cory, Michelle, and Rex in the loss of their grandmother. If I can do anything to help you and your family either personally or professionally, simply ask. Your family will be in my thoughts and prayers. Best wishes, Ken Pemberton, Jr.
