“ I went all through school with my buddy Burt Lehman. Broke my heart when he passed. He adored his big sis Jeanie as did all our classmates that knew her. She and Richard were dear neighbors in San DanGaro subdivision since 1979. Only a few houses out here back then. It was a big cow pasture with no trees and terrible clay soil. We all grew our children, trees, shrubs and lawns together and now this is a beautiful subdivision, but kind of lonely for us old timers as all the children grew and moved on. Jeanie was beloved by all and her presence will be sorely missed.

Love and Blessings to Richard and the Allgood and Lehman Families.

“ I've known Jeannie's sister Lisa since grade school. Spent many a time at her house growing up with the whole family. Love them all so very much and I know this is a very difficult time for them all. May Gods love surround them and give them comfort, especially for Richard today and all the days to follow. 🙏
