“ Larry, Verna, Marilyn, and Jim we are so sad to hear of Norma's passing. I remember so many good times visiting with all of you on your farm. Daddy was very close to your mother and regarded her as more of a sister than a cousin. God's blessings on all of you during this time.

“ Larry, Jim, Verna, and Marilyn, you have my sympathy on the death of your sister, Norma. Our families shared such good times out at your parents' home. Also remember when she helped us buy furniture at Hudsons. She was very kind and sweet. Betty Mueller Landre

“ Jennifer, Jeff, Tom & Family,  
I'm so sorry to hear about your loss. Boy Jen our moms were troopers with us silly girls weren't they? Norma was always a calming force through a storm. My dad lost his battle with MS/covid on November 12th so I can somewhat understand how all of you are feeling. Jennifer I love you friend and always have. You and your whole family are in mine and Shannon's thoughts and prayers. Sending our love to you all.  
Much love,

“ I am so grateful for the love and support Grandma Norma gave our kids and our family.

She was such a trooper. This picture is one example of her caring ways. She sat in the freezing cold with gusty winds to watch a baseball game that went on for hours.

Norma always had a smile and positive words to say about everything and everyone. We will miss her kind gentle spirit and beautiful smile.

Rest In Peace sweet Norma.

Love , Tim, Kelli, Dylan and Charlie♥

Wynn and I are so sorry to read that Norma has passed away. I didn't know her as well as I did Marilyn and Verna but that is a great family so I know she was a sweetheart as well. Please know I will be praying for all your family.
