“ *Norman was my friend. I always held the utmost respect for the man and his principles. We enjoyed swapping stories with one another and he was my eyes and ears in the return department as to when something wasn't just right. He called me not long ago just to visit and we must have talked for an hour or more. You will be missed old friend. God bless...
My own health prevents me from attending his service but he and his family will be in my heart tomorrow and forever.*
