“ To Karen and the family,

We know this passing is difficult, but the separation will be brief. Although you miss him, he is more alive now than he ever was before and waits for you there.

Our heartfelt wishes are with you at this time.

“ So sorry to learn of Norvel's passing. He was my mother's second cousin, and I very much enjoyed talking with him at family reunions. He was so kind and friendly, and he always had a funny story to tell. He will be greatly missed. I wish I could attend the visitation and service, but I am scheduled to work on Saturday morning. Please know that my thoughts and prayers are with his family and friends. God bless you all.

With sincere sympathy,
