“ I was very sad to hear of the passing of my cousin, Ocela. I wish to extend our sincere condolences to her children and family and friends. Ocela was a wonderful person and was able to live a long life and was very happy along the way each time I spoke to her. I am sorry that I can not be with the family at this time due to medical problems with my husband's parents that keep us close at home these days. Ocela was a great source of information for me while I was researching our TUCKER genealogy and if anyone would like to contact me for more on our family history please do so as I have been luckyenough to go back before the 1700's with this lineage. I am sure Ocela will be heaven looking down on as with a big smile as we share and laugh together about all the cherished memories of the Tucker Clan, as we did in the past. Blessings and prayers as you go through this sad time. May you find strength in recalling memories of Ocela's life. Cousin Gloria & Russell Griffitts
