

Owen Patrick Capriola

March 4, 2011 - November 5, 2024

Owen Patrick Capriola, age 13, of Jackson, Missouri, died at home on Tuesday, November 5, 2024.

Born on March 4, 2011, in Cape Girardeau, Owen was the beloved son of Zach Capriola and Heather Williams. He was an eighth-grade student at Jackson Junior High School, where he was known for his bright spirit and kindness to everyone he met.

Owen enjoyed sports, especially football, soccer, and pickleball, and he loved hiking outdoors. At the heart of his life was his family, and some of his favorite memories were the nights spent together watching movies, playing card games, and battling it out over Monopoly. He had a knack for solving puzzles and a deep affection for his pets, Zeus, Vega, and Appa, who were his loyal companions.

Owen is lovingly remembered by his father, Zach (Montana) Capriola of Jackson; his mother, Heather (Chad) Williams of Jackson; his brothers, Russ and Levi Williams, and Audie Capriola, all of Jackson; and his sister, Emily Williams of Washington. He will be missed by his maternal grandparents, Jackie and Jacqua James, and Dave and Becky Ragan, as well as his paternal grandparents, John and Mary Jo Shaw, and Ron Capriola, along with many friends, extended family, and classmates who were touched by his spirit.

Friends are invited to pay their respects from 3:00 pm to 6:00 pm on Tuesday, November 12, 2024, at Connection Point Church in Jackson. A Celebration of Life Service will follow at 6:00 pm, officiated by Dr. Chris Vaught.

In lieu of flowers, the family requests that memorial contributions be made to Southeast Missouri Suicide Prevention, Inc., in Owen's honor, to support the well-being of others in his community.

Online condolences may be shared at www.fordandsonsfuneralhome.com.

Ford & Sons Funeral Home - Jackson is handling the arrangements.

“ Owen was such a great person he always had a smile on his face. He never talked badly about anyone he always respected people even when they didn't. I still can't believe he's gone. he should have never had to go through what he went through. me and owen weren't very close but we had a couple of classes together and he was always making people laugh and he always would make funny jokes. in 5th and 6th grade we had homeroom together and I would always be excited to hear one of his jokes in the morning. I wish I would have been there to tell him how much people loved him. Owen thanks for always making my day in the mornings when I wasn't having a good day. You left us too soon. you will be missed and remembered. Keep making the sky pretty in the mornings. We Miss you

“ I love you and am gonna miss you so much Owen. I will always remember your sweet and genuine heart, and the way you treated others. Your spirits were so bright, and you always had something funny to say. I'm gonna miss spending hours with you, showing me all your toys, making sure we played with all of them, and laughing uncontrollably together. The best little nephew ever. I'm sorry I didn't come see you sooner, but now you are safe from this cruel world. I love you so much and will continue thinking of you and carrying on that bright spirit on yours. Rest in paradise, sweet Owen.

“ Owen, I love and miss you. I will really miss our phone calls especially our trash talking each other about a connect four game that we played so many years ago, sorry we never had the rematch. I will keep the memory of your life, and sense of humor alive.

“ I will always be grateful for the time our family had with Owen. He was a wonderful friend to Nick. I loved watching their friendship develop. He had a huge impact on all of us and his friendship with Nick was so special. He and Nick spent countless hours together building forts, racing rc cars, working on those rc cars, playing games, fishing, riding the scooter around the neighborhood, and just hanging out. I will never forget how he would come over to see if Nick was home. Even if Nick wasn't home, he would talk to me for a while and tell me whatever exciting thing he had going on. I imagined they would be close friends forever. He was remarkable. He is loved and missed terribly.
