“ Gene and family, we were so sad to hear of Pat's passing. What a special lady. I can still hear that beautiful voice and great laugh. I loved taking Eimee to visit Pat when we lived in Cape Girardeau. She loved children. May God wrap His loving arms around all of you and may your wonderful memories give you joy in your time of sorrow. Hugs, John and Julie Studer

“ Gene I so saddened about the passing of Pat. You have my sincere condolences. I still have such fond memories of the fun times we had together in Cheboygan Michigan. Your son Joe was such a polished young boy. Al passed away suddenly June 28, 2008 at Cynthia's home in the St. Charles area. Life has changed for me drastically. Take care of yourself...it is not an easy road to travel.

“ Joe, I was surprised and saddened to hear the news about your mother. It has been years.....since Chegoygan, Michigan days. You have my sincere condolences. Al and I were neighbors of your parents. Memories flood my mind about the time we spent in that area. Joe, I still appreciate how you always shoveled the snow off my sidewalk so when I came home from school I would have a snow free sidewalk to carry my one year old son to the door. Kirk lives 11 houses from me now here in Florida. My dear husband, Al passed away June 28, 2008. Please give my condolences to your dad and your entire family.
