“ Pat was such a beautiful person. I met her at the Infusion center and she went above and beyond to help you and gave much Comfort. I came out of there with a very good friend and she will be solely missed. I know she is at peace now. My sister and I got to see her at her and we were so grateful to see her and meet her sister. We lost a very dear friend whom we loved very much and our condolences are with you and the family. Judy Gilbert and Bette Ruester

“ I first met Pat as I was receiving Chemo in 2009. She was gracious, sympathetic and so helpful: bringing me Sprite, a warm blanket and a friendly smile.

I met her at my Dad's church again when the church so graciously served our family a very nice lunch after my Mother's funeral in 2009. There she was helping out serving and visiting with our family.

Then when my Dad, John Crawford was going through chemo in 2014 there she was again..helping him through the experience with shakes to take home and lots of smiles and encouragement.

What a great example Pat gave of love and understanding. She will be missed I am certain by many.

A life well lived now enjoying eternal life with the Father.

Sincerely
Karen Kight
