“ Ms Horrell will always be a special person to me. For over four years she gave of herself selfishlessly as one of my girl scout leaders. I have many fond memories of our girl scout outings and activities - especially Shiloh, TN - that and all were fantastic. She and Ms. Naeter were the best troop leaders ever and I am thankful for everything they did for us. My thoughts and prayers are with the Horrell family during this difficult time. Take care.

“ Kim ~ You and your mother have long been in my heart. My mom called me Friday night after she quietly paid your mother a visit. She was telling me how pretty your mother is, and will always be... precious memories. May God give you comfort in the days to come, and comfort your dad. You are forever in my heart and I'll be praying for you and your family. You've been a good daughter to your beautiful mother. My love to you, Kathy ... your little sister.
