“ I just saw Patty's obituary as I was looking a relative's of mine. I'm so very sorry for your loss. I grew up with her and was a CHS classmate of hers and in girl scouts together along with many fun summers at GS camp. She was such a joy to others and a good friend. Although we didn't keep in touch after high school and college I have read that she served her country proudly. Please accept my belated condolences.

“ Dear Mr. and Mrs. Lansmon and family members,
It was my pleasure to serve as a Stephen Minster at the Veterans Home in Cape for several years. Patty was one of my care receivers. It was part of my responsibility to offer friendship and support. As such I visited her almost weekly for that time and saw her through good times and bad. I probably received more back from her than I ever gave because our relationship also caused me to examine my faith. Patty enjoyed being pushed on the paths outside and watching the fish in the little pond. Sometimes I read to her and we shared ideas from books. I usually had lunch with her and learned how lonely it is to eat alone even when the room is filled with other persons. Of course she had her faults, but she was kind, compassionate and generous with others who lived at the home. Thank you for Patty. You have my sympathy and I'm thankful that I have memories of her. She certainly enriched my life. God bless all of you.
