“ I am deeply saddened to know that such a caring and devoted Christian woman has completed her journey home. It is with deep regret that I must miss the services planned in her memory as I am out-of-town with my own mother. Please know that I will be thinking of you all tomorrow as I make my journey home. I would like to make it in time for graveside services in Sikeston; if possible, I will see you all then. If not, know that I care very much and hope to see you all soon. God's Blessings to you all.

“ Jim, Cindy and Family I am so sorry for your loss. I am sorry I missed visitation, however please know my thoughts and prayers are with you. I do know how hard this is; having lost my mom in May, 2011. I love and miss you all. I am so glad that Phillip has one of her many crafts she made. It is a plaque in the shape of Missouri. He loved working at that market.

“ Milton and family, Although it has been years since I was around the farm I truly felt blessed to work for your family and to know you for those two summers in the late 70's. May the faith you have always professed be a comfort and strength to you in this loss for you (but a gain for Pat). Steve Lange
