“ Pat was always very friendly. I knew her children from elementary because they rode my Dad's schoolbus. She raised some great and well-loved children. Our sympathy from the Lueders! —

“ Pat was such a kind, sweet person! Always enjoyed talking with her! She worked with my dad at Sears for many, many years when the employees were “family” back when the Cape Store first opened. I enjoyed hearing about the good times they had at Sears. So sorry to hear this! Sending prayers to her family. She will be missed! 🥺

“ So sorry for your loss of Pat. She was a great Sear's friend to Larry & myself. Larry commented this morning that she told him " This is your retirement party too " when after 29 years because of Sear's politics he didn't get one. Thanks for sharing Pat ! We are in prayer for comfort and that Great Peace that God gives in her loss to you all.
