“ Sweet Patsy my favorite aunt on the Thompson side of the family. She loved gardening and flowers. For years she helped decorate floats in Pasadena, California for the Rose Bowl Parade. The last time I saw her in Cape Girardeau, Mo. she gave Carole and me a beautiful quilt handmade by Aunt Zella.

“ Charles and I have many wonderful memories of holidays spent with Patsy, Glen and the boys and Jake and Mary Thompson and family in Bowie ,MD from the 70's until Pat and Glen moved to Cape Girardeau. We looked forward to seeing the families and enjoying the exotic meats that Glen provided. The beautiful centerpieces Patsy arranged for Charles and Anna. Maneri's 50th Anniversary gathering were spectacular!, So glad we got to see her one more time at her brother Jake's funeral in 2021. She was one special lady!! All our love and sympathy to Michael and his family and to Phillip.

“ These last few days, it seems everything reminds me of my Nana Pat ! Like with it being close to Easter, I remember she always wore the brightest clothes, and gave me the best gifts no matter the occasion ! She would just spoil my sister and I. I knew it was partly because she was so happy to have some girls ! I think she had, and still has, the biggest heart of anyone I know. I already miss her so much, I love you Nana Pat !

“ I loved my Aunt Pat so much! We were very close and shared some great times. I love giving "Afternoon Teas" in my home and Pat supplied me with many things to make them beautiful and fun. For example, she sent me sugar "doilies" and sugar cubes shaped like teapots for one of my teas. My guests were amazed! She would always bring me one of her special teacups from her collection when she and Uncle Glen came to visit. A few years ago, she gave me her entire collection including her keepsake set representing her "Forget-Me-Not" Flower Shop in Bowie, MD. I will treasure my memories with her and see her again someday in heaven because I know for sure that she loved the Lord and is with Him now!

“ I met Pat last May when we were both in the Chateau Girardeau Rehabilitation Center. The first thing she said to me was that we were going to have fun there. We spent a lot of time visiting. After a week or so I left the Rehab. Center and she eventually went to the nursing home side of Chateau. Over the last 10 months I have visited with her there many times as well as in St. Francis Hospital several times, the last time being last Saturday. She was a good and true friend, although I have known her for less than a year. I will miss our visits and our talks.

“ I think all who knew my Aunt Pat, knew her passion for, and talent with, flowers. She flew out to California many times to work on the floats in the Rose Parade. My Dad, her brother David, would drop her off in Pasadena day after day, and pick her up at days end. She loved watching the parade (and going a couple times) on New Years Day, and anxiously waiting to see the float she worked on. We all got excited with her. I will miss my Aunt Pat, only 8 years older than myself. Loved by all of us in her large family. Beverly Fenske

“ There are so many memories when their boys were growing up and our two oldest were about the same age. We lived in Magnolia De and they lived in Bowie MD. We would go there some weekends and they would come to our house some weekends. We would visit around to different people's homes who raised exotic waterfowl too. Sometimes go to the beach or just visit, always enjoyed it had fun whatever we did. Glenn carved and Howard raised exotic waterfowl. The Best of friends.

“ Pat was a dear friend I worked with making flower arrangements at Saint Francis Gift Shop several years ago. She was a gifted florist making the most beautiful arrangements. She taught several of us making the arrangements now how to make them so beautiful. She will be dearly missed
