“ I got to know Paul when he was a DEA agent, and we continued to be friends after he left the agency. He was a man of true integrity and generosity. I will miss his dry wit and sometimes caustic observations that were usually right on the nose. We lost a good one.

“ Peggy, I worked with you at Pfizer and shared several classes with you over the years. I'm so saddened to hear of your tremendous loss. Please know that you are in my thoughts and prayers. Paul sounded like he lived a rich and abundant life. High Flight Oh! I have slipped the surly bonds of earth And danced the skies on laughter-silvered wings; Sunward I've climbed, and joined the tumbling mirth Of sun-split clouds- and done a hundred things You have not dreamed of - wheeled and soared and swung High in the sunlit silence. Hov'ring there I've chased the shouting wind along, and flung My eager craft through footless halls of air. Up, up the long delirious, burning blue, I've topped the windswept heights with easy grace Where never lark, or even eagle flew - And, while with silent lifting mind I've trod The high untresspassed sanctity of space, Put out my hand and touched the face of God.

“ I retired in 2004 from DEA and had worked with Paul from the St. Louis office. Me and several other agents would come to SEMO to hunt dove with Paul each September 1. Paul is a fine person and we will all miss him and what he brought to law enforcement and everyone he touched. Always know if there is anything I can do for you here in the Jefferson City area, it will get done. Our hearts and prayers are with you, Sincerely, Paul Robinson.

“ To Paul's family, I'm deeply sorry for your loss of Paul. As you go through life you meet alot of people, some you remember, some not. I met Paul several years ago, we worked together breifly, but he was the type of guy who I will remember always. Though I'm sad to say I didn't stay intouch with him much, I always considered him my friend. He was truly a man who enjoyed life. I feel honored to have known him! “ I feel very fortunate to have had Paul as my friend. He was unique, special and hilarious. I knew whenever I spoke with him I would learn something new, and I would hang up the phone laughing out loud. We have lost a very special and generous person and I will miss him. My deepest sympathy to Peggy and the Fisher family.
