“ I worked for Paul and had him in Horticulture classes at SEMO. I learned a lot from him and I enjoyed working for him. Once he sent me with the wrong address to plant a Japanese Maple for a lady. I planted it exactly where he told me to in the wrong yard, the owner of the house loved it but he wasn't very happy. He was a good man!

“ We are so sorry to learn of Paul's death. He was a kind and gentle person who was a good boss and friend when we lived in Cape. He had the knack of teaching about plants so that we and many others learned and enjoyed the little lessons. May your many happy memories be a comfort to you, Marilyn and Nikki.

“ Sunnyhill was my favorite place to shop! Paul knew I had limited income and he would always tell and show me what to purchase or how to make a plant survive, I bought a butterfly bush from him and it is beautiful now! He was. Very polite and helpful and I was down hearted when the business closed. I know you all are grieving for him and you have my greatest sympathy, a man like him is far and few between!
