“ *Paul was an awesome man. He picked up the mail from Bank of Advance every day, and he would talk for about 5 - 10 minutes everyday with us. He was one of the nicest and most interesting men I've ever met. We would always look forward to him coming in and talking to us. I will miss him a lot, and I know everyone else at the bank will as well.*

“ We talked about baseball, we talked about Seinfeld, we talked about our families, we talked about life. You run across a lot of people during life, Paul was one of the special few that stand out. Condolences to the family, he was a great man.

“ Paul was a great friend and will always be remembered. His personality was so outgoing and jovial he always brightened up everybody's day! I worked with Paul in the mail business for 10 years and I can say he always was all of the customers' favorite. He and I would regularly have conversations about our faith in Christ. A man of great spirit and love! You'll always be missed and remembered buddy!

“ My name is Scott Holder and I'm an engineer for BNSF Railway and I'm also a member of Trinity Lutheran Church. I met Paul when he drove a crew van for the railroad. He was an interesting man. He was always in a great mode with a big smile on his face. I always looked forward to him being our driver. I can see him standing before our Lord with that big smile and celebrating the victory! AMEN! May God's peace and comfort be with the family.

My name is Pat Colon and I worked with Paul in the mail business. He always had a beautiful smile for everyone and a funny story to tell before he left the building. I was truly an honor to know Paul and be around him. He was very proud of his wife(my elementary art teacher), children and grandchildren that he always spoke so highly of. I send my condolences and prayers to his lovely family. Paul will be missed by all that knew him. So happy that I got to know him in the several years that I worked with him.
