“ *To the family of Paula, I extend my deepest sympathy. We were very close friends when our boys were growing up and we were working for different loan companies. Paula was so much fun, so helpful in any way she could be. Occasionally I would run into her in Cape and we were so happy to see each other. The world was a better place with Paula in it. She'll be sadly missed by so many. Gone too soon, my friend.*

“ *Paula, you will be truly missed by many. Your spirit will live on in your family. Words simply cannot convey to your family, and especially Frank, how saddened I am by your untimely death. You left us way too soon. Bingo was definitely one of your many passions. I remember several times you would assist Aunt Melba and showed her she had BINGO because of the numerous cards she would purchase! I have many wonderful memories of visiting our cousins in Missouri when we lived in Alabama. My sincere condolences to your family.*
