“ I feel like I lost my best friend. My mother always told me you only really ever have one. I still remember starting retail in our 30s and laughing and crying through some of life's moments. I will always carry her in my heart. My deepest regrets to the family. Jan

“ It has been a long time since we lived across the street from each other on Georgia. Please know that I am thinking of you during these days and so are Mark, Sara, and Jim Stacy. Your mother was one of a kind! I laughed when I read about her being a gardener--I once put out 12 tulips and she went to the store and bought over 100 and put out in her yard! Remember! Much love to all of you and thanks for sharing her with me.

“ *I am so sorry to hear of the loss of your mother. I just found out tonight, July 8, at 8:30 so the visitation is over and I am so sorry for your loss. Your mother will live on through all of you and will always be in your heart. She was a great person that always made me feel welcome when I was around her. I wish I could ease some of the pain your heart must be feeling at this time. I will pray for all of you.*
