“ *This friend loved all her kids dearly and was proud to say she was a grandma. She was a person who loved to laugh and wanted to enjoy life. Growing up she had so much energy you wish you could bottle it up. She loved her pets from her horse to the cats. She would go with me on babysitting jobs to keep me company. When she came in to visit when she lived in FL we would go to BG's. When she moved back we enjoyed getting together for coffee. When our kids got together they were treated as one of her own. lol I am proud to say you were an awesome friend.*
