“ I'm so very sorry to hear the news of Philip's passing.

It's been quite some time since we have conversed, but I will always recall Philip's sweetness. We met at an MDA Christmas party that I sang at. And we cherished your family over the years.

My thoughts and prayers are with you during this very difficult time.

Much love to you.

Philip's family thanks each and every one of you for every kind thought, comforting word, or beautiful flower! As his mom, I know he will be missed terribly, but right now my heart rejoices that he is celebrating today with the God of the universe! I have only cried tears of joy for him, but I am grateful for the knowledge that I had all this wonderful extra time with him! Time that we treasured. I was so privileged to be his mother, and the beautiful, peaceful passing that he had was just so fitting for the courageous way he lived each day of his life! ❤️
