“ We sure are going to miss PJ at the Eagle functions. She was a fun vibrant lady. May God bless her family and Eagle family at Cape Girardeau during this time of grief.

“ Brad, Brian, Bruce and Kathy: I was your neighbor back some 45 years ago on Green Acres. I was Darlene Mabry then. My 2 sons, Neal and Tony played with you guys. My most sincere sympathy goes out to all of you. Such a sad sad loss. No one has ever made me laugh like your Mother. I would go over in the evenings to visit with her, after our kids had gone to bed. Your dad would watch TV while we sat in the kitchen and nearly busted to keep from laughing and disturbing him. If I was still there at 10:00 (which I usually was) he'd get up from his chair and lock the door, my hint to go home, but we'd continue to sit there and be overcome with laughing. Kathy, I sewed for you when you were in kindergarten, I never had a girl to sew for. You were so prissy and told your teacher. when she commented on your attire, "the lady who sews for me made this." Little Diva. I was so saddened by the news of Phyllis' death, and so regretted not keeping in touch with her more than I did. I was at her home the day she received word she was hired at the library. I loved your mother and being around her.

“ Brad, Brian, Bruce and Kathy, I am so very sorry to hear of your mom's passing. I have so many memories of your mom (and dad). Her joy and enthusiasm for life and for people stands out in all of them, as does how much she loved each one of you. I hope you find comfort in each other, in your faith, and in your own wonderful memories of your mom in the days ahead.

“ I have many fond recollections of working at the Cape Girardeau Public Library from 1974 ♦ 1983, but it's the memories of hearing Phyllis entertain us with her outrageous, hilarious stories that still make me chuckle out loud. From losing little Kathy on the turn by the old shoe factory due to the faulty car door, to accidentally catching the wire on the bumper and pulling down the Christmas tree in the Town Plaza parking lot, no one could tell a story like Phyllis. She was one of a kind. My sympathies go out to her family. I know she will be missed.

“ To Phyllis's family, She was a wonderful woman who will be greatly missed. She could light up a room just by walking into it. Our Eagle Auxillary meetings will never be the same. May God give you comfort during this time of great loss.
