“ To the Family of Mrs. Priscilla A. Pierce Daniels,

I wanted to take a moment to express my deepest condolences for your loss. Although I didn't have the honor of knowing Priscilla personally, I was a roommate to her sister, and through that connection, I feel the weight of her passing.

From all that I've heard, Priscilla was a remarkable person—someone who touched the lives of those around her with kindness and grace. Losing someone so cherished is never easy, and I can only imagine the depth of your grief. Please know that my thoughts are with you during this difficult time.

Wishing you comfort and strength, and hoping that memories of Priscilla bring you moments of peace in the midst of sorrow.

With heartfelt sympathy,

Melvin Walton, Jr. & Family

“ Pricilla was such a good baby growing up. She very seldom cried for anything. You will have to go check on her to make sure she is ok and even then she would just be laying in her bassinet playing with her fingers and toes. Words can't describe how crushed we all are.

Heavenly Father, help us to accept Your way as always best. Apply to our wounded hearts the healing touch of your precious promises and let us soon experience its power. May the passing of Pricilla remind us that we too are a pilgrim and passenger on earth. He is the Way and the Truth and the Life and no one comes to You but by Him.

Rest in peace Cilla, we love you.
