“*Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe away the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!*

“ To the entire Campbell family - I had the privilege of working with Rabbitt for more than 20 years, and I must say that life with Rabbitt was "never a dull moment". Life without him will be very sad for all of you, and my heart goes out to each, and every one of you. Hold tight to your memories! He certainly had a way with words, and could get you to laugh within minutes of seeing him. He was definitely a "one of a kind guy", and the mold was broke when he was placed on this earth. There could never be another one like him. Your entire family will be in my prayers - Mary Clements
