“ I am so very sorry to hear of Ralph's passing. He was the sweetest man! I looked forward to his visits to my insurance office because he never left without teaching me something I didn't know before, whether it be through a story he was telling, or just a discussion about what was going on in the world, or about life in general. His smile was infectious and he always left me in the best mood! He was an absolute gem of a human being, and he will be greatly missed by me. My thoughts and prayers for peace and comfort are with your entire family.

“ Mr Schreiner,
I wasn't blessed to have the opportunity of knowing you long. I can tell you that upon meeting you and your family, I now understand the phrase... it's QUALITY not QUANTITY!
When your Granddaughter, Amber, gave me the opportunity to go to one of your family functions, i didn't realize what a blessing i had received! For me, our first meeting was like having a whole new family added to my heart!!
Though my actual time spent with you was short, the love & laughter you shared made memories enough to last a lifetime!
The kindness, generosity, & welcoming nature your family showed me is something I'll ALWAYS treasure!!
Your Granddaughter, like you, shows her heart immediately to everyone with her smile & never meets a stranger!! What legacy to leave behind!!
Mr Schreiner, rest well my friend! You will definitely be missed...
LOVE YOU!

“ I have known Dayton (Ralph) For many years! I seems like a life time but a life time is no where long enough to know this man! He is one of kind and when you least expected it he would come up with a new idea ! He was and is a family man and a man of GOD. I know that he will be greatly missed. He was as much a dad to me as my own dad and in some ways even more! One summer I spent just about every weekend with Dayton, Joe and Richard fishing even though we didn't catch many fish we sure enjoyed just being together. As time goes by the time that we were able to be with each other grew farther and farther apart. I got married and lived a good ways apart but one thing is for sure Uncle Dayton will always be in my heart and mind! I know he is in a better place and that some day I will see him again!!! I LOVE YOU Dayton, your nephew Bill!
