“ Ray Seyer was a great instructor and he helped me a lot when I was in his night class at Central High School. He was kind and very helpful to his students. I took that night course in Auto Mechanics in 1971 and he always was there to explain anything to me and his students. He will be greatly missed by all his students that knew him

“ My condolences. I didn't really know your Dad except for one thing and I think about it often. When I was 12 or maybe 13 ('57 or '58) Ray coached a baseball team for kids. We weren't Little League but we were the Bears! I was catcher and we played mostly at Franklin School. He took us to a Cardinals game one time.
