“ I was so saddened to learn about Becky’s passing. Our condolences to Jane, and her family, and to Lisa, and her family. Becky and Jane were a huge part of my life when we were growing up. We, along with my sister, Susan, are first cousins, and spent so much time together, not only with our grandparents, and all the Christmases, but riding horses, camping, watching scary movies, riding in go carts, celebrating Halloween at my home in Kennett, and so many other kinds of good fun! We were all very close growing up, and to lose another one of us is very sad. I am so very grateful to still have, her sister, Jane. Becky will be missed!

“ I’m so sorry for the loss of your mom Lisa. She was fun to talk to at the grocery store when we bumped into each other. She was proud of you and her grandchildren.

“ Prayers for Becky’s family and friends. I grew up in a house near the Davis family. Many memories of us girls putting on plays in their garage, walking the neighborhood in stilts that Mr Davis built for us, calling each other Christmas morning to see what Santa and left us...and many more. Precious memories of Becky and Jane and childhood.
