“ Don and Family, while many years have passed since I last spoke with Becky, my memories of us being together at Central High will always be with me. We always had a good time when we were together...laughing over ‘nothing’, making plans for the week-end and when she was working in her Dad’s office located on Independence, ‘drop in’ visits with her just to ‘pass the time of day’. Becky’s ready smile always made for a ‘sunshine’ day. My deepest sympathies and may you find sunshine in the loving memories of a wonderful ‘gal’. Joan Herrmann Seabaugh

“ Don and Wendy we hold such fond and loving memories of your wife and mother. Becky had the most contagious laugh and true love for family and friends. I’m pretty sure she couldn’t tell a story without using her body to get the full effect. Happiness radiated in her life and reached those around her. Our love, comfort and peace, Debbie and Jeff
