“ Sorry to hear of Papa Dick's passing. Dick made a positive impact on my life. One of his son's, John, and I, were neighborhood friends growing up. Dick was always open and friendly too me. For that I am still grateful.

“ Dick was very special to me, and many others. When I was only 11 years old and lost my Daddy in an automobile accident he and his family lived across the street. Johnny, his son was my very good friend and still is played music, and Dick did his best to look out and encourage us to do the things that boys need to learn to be men. Thanks Dick. Sorry Johnny.. God Blws.
