“ I have only known 1 Richard Nenninger in my life and I am not sure that he is the one that I knew. It has been over 25 yrs since I saw him - but not near that long since I thought of him. He was ALWAYS the perfect gentleman with me and a true friend. Not like any other man I have known. Always proud to call him my friend. He is the one that made me HATE Halloween. His costumes were so "life-like" and scared the begeebies out of me. He was awesome! I am sorry for your loss and the laughter that is now gone from your life. May He Rest In Peace!
