“ *To hear that one of my grade school friends had passed, sadden me to the core. Rick was an amazing person. Who knew how to tell a great story. I remember him getting hit by a car in 3rd grade and he acted like it was really nothing. He definitely brought light everywhere he went. He will truly be missed.*

“ *Saddened by your family's loss, the heartache for the children. Hold onto the memories as they will get you through the days, weeks, and years to come. May Ricky rest now with God. May God provide all the comfort and understanding He can for all of you. None of us can understand why God takes those so young, we must just have faith in God's plan for each of us.
