“ Rick was one of our favorite customers at the hobby shop. He would come in with his cup of coffee and big smile and we would talk about antique cars, irish setters and he always bragged about his daughter! How neat! We never heard a negative word from him! Now that's something! RIP Rick.

“ Rick was a family friend of ours, he was so full of friendliness and kindness, always interested in making others smile. We'll miss his intoxicating smile and remote controlled UFO's, cars, planes, and drones. See you in the great beyond, Rick!

“ *Kat, I don't know where to start. I have so many fond memories of your dad. From floating Current River together, trapping raccoons, pulling taffy and swimming at John's.*

He was a special guy and loved you so much.

Cherish all your memories and hold them close to your heart.

We love you.
